

An open curatorial hour "Ally Elim - Azaim ..." was held on the basis of the Department of "Nanotechnology and metallurgy" of the machine-building faculty of Karaganda state technical University on February 24. The lesson was dedicated to the 175th anniversary of the birth of the great Abai. Students of the group read poems and sang songs from works on the theme of the life and work of the great Kazakh poet Abay. Also, students asked various questions about the poet's life. Teachers of the department were present at the lesson. They recited the poet's poems by heart, expressed their thoughts about the importance, depth and educational value of Abay's works. Teachers got acquainted with Abay's books, which were brought by the group's students.
