This day is a great day, we know that for every person it is a very important day ...

We are proud of those who participated in the Great Patriotic War: Bauyrzhan Momyshuly, Manshuk Mametova, Aliya Moldagulova, Malik Gabdullin, Talgat Bigeldinov and we are respectfully grateful to all who showed other feats. And we, of course, will remember the spirit of our brothers and sisters who could not get to this peaceful life. We will always remember by the moment of silence our bloodthirsty and bullet-ridden heroes..
