

Carrying out the action "Do good" by students of the Department

Curator of NVP groups-20-1-2 (29 people) Kurymbaeva Sayagul Kanievna organized a Charity event "Do good" in support of the elderly, people with disabilities in the delivery of food, medicine, cleaning the yard from snow, etc. during the restrictions associated with the ongoing "coronavirus pandemic". It was proposed to hold the campaign from 9 to 20 November 2020.

All the guys supported this idea and organized their work for people who need help and support at their places of residence. At the request of pensioners and disabled people, food and medicine were delivered, yards were cleared of snow, and coal was stored for further use.

As part of the campaign, students helped home front workers, the disabled and the elderly:

- clear the yards of snow

- brought food and medicine

- cleaned and cleaned the house territory

- they helped to store coal for Sapargul Akhmetshina, a mother with many children, and Anna Matvienko, a pensioner
