**organized together with students of the group NVP-19-1, 2**  
**round table "Caravan route of the Great Chokan"**

**Report**

**Topic:** "The Great caravan route of Shokan".

**Form of the meeting:** round table.

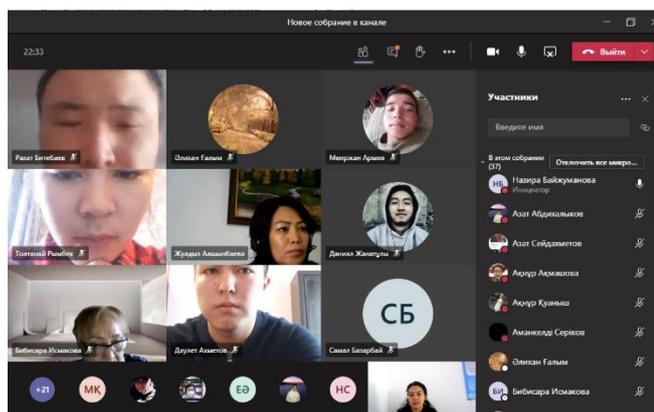

**Organizers:** teachers of the Department Alshynbaeva Zh. E., Baizhumanova N. S. and students of groups NVP-19-1, 2.

**Goal:** to fully understand the legacy of Chokan Ualikhanov, left by him to his country and people during his short and conscious life, as an example for young people. Within the framework of the state programs "rukhani zhangyru", "7 facets of the great steppe and the great names of the great steppe" acquaintance with the work, travel, research of the great scientist Chokan Ualikhanov, about his scientific works.

**Relevance:**

in different periods of time, outstanding geniuses of the people were born. Such wise people in a single historical period became the cultural dimension, the spiritual elevation of the people. One of these people is an outstanding scientist Chokan Valikhanov, who lived in the NINETEENTH century and left a spiritual and social legacy to his descendants.

The round table was organized as part of the curatorial hour in the framework of the state programs "rukhani zhangyru", "7 faces of the great steppe" and "great names of the great steppe", dedicated to the 185th anniversary of Chokan Valikhanov.

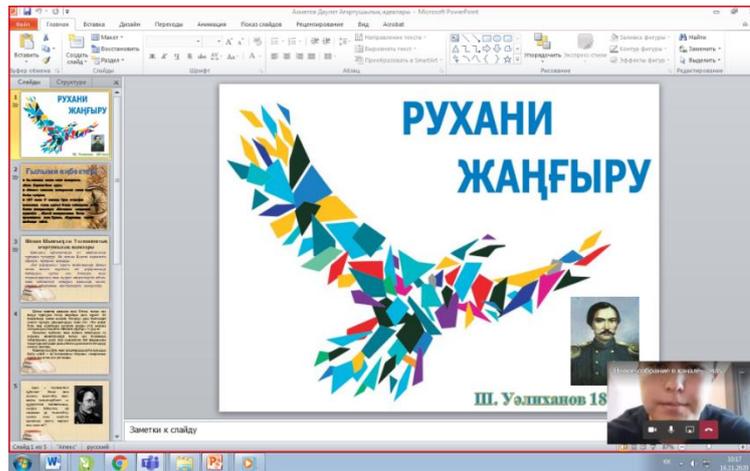

On November 16, 2020, teachers of the Department of "professional education and pedagogy" Alshynbayeva Zh. E., Baizhumanova N. S. and students of groups NVP-19-1,2 held a round table on the theme "the Caravan route of the Great Chokan", dedicated to the 185th anniversary of Chokan Valikhanov. The round table was attended by a group of NVP-19-1,2, students of the specialty "Professional training" and undergraduates. The Deputy Dean for educational work of the faculty of mechanical engineering G. Adamova, teachers of the Department of Professional education and pedagogy B. Ismakova also took part. S. Nurmaganbetova, M. S., Karymbaeva S. K., M. A. Umirbekova

During the round table, speakers addressed each aspect of Chokan Ualikhanov's activities. Speakers:

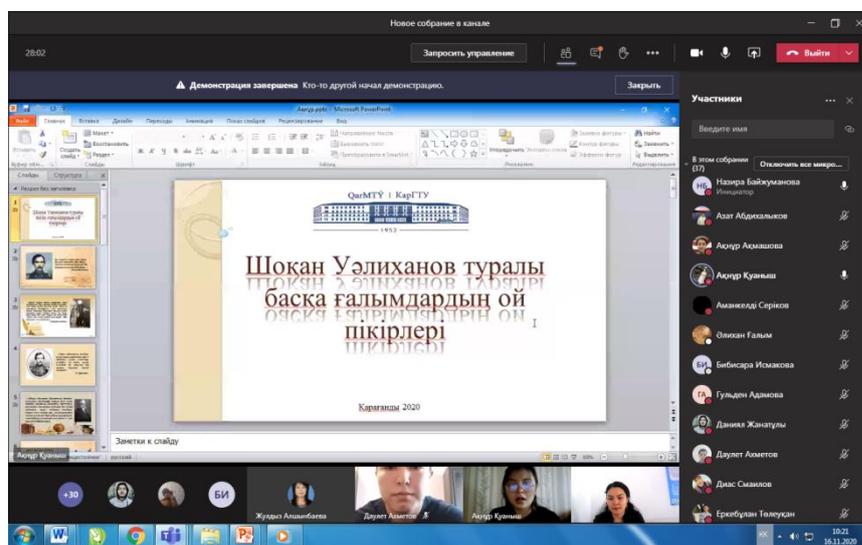

1. biography of Chokan Ualikhanov (video) Rymbek Tolganay (NVP-19-1);

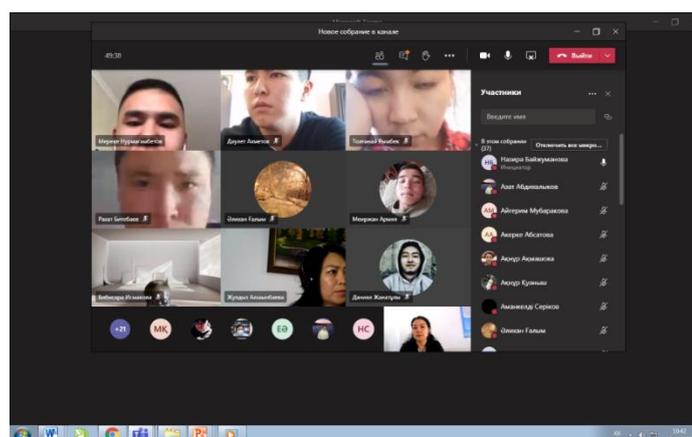

2. scientific works and educational ideas of Chokan Ualikhanov-Akhmetov Daulet (NVP-19-1);

3. reflections of other scientists on Chokan Valikhanov-Kuanysh Aknur (PO-17-1);

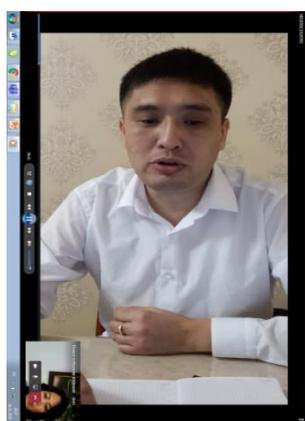

4. view of Shokan Valikhanov from the point of view of geography and travel - Nurmaganbetov Mereke (NVP-19-2);

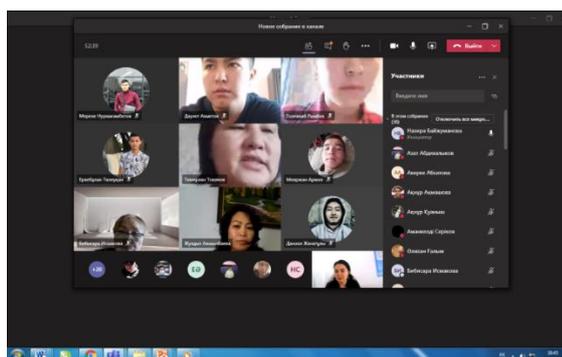

5. addresses and monuments with the name of Chokan-Bitebaev Rakhat (NVP-19-2), during the round table in the Karaganda regional Museum of local history, students of the NVP-19-1,2 group showed a fragmentary video from the journey to study the life path and works of CH. Ualikhanov.

A video recording of the message of the history teacher of the N. Nazarbayev intellectual school of Karaganda, master of historical Sciences Ablai Khan Begaidar Muratkhanovich was also shown.

Guest of the round table: Omasheva Zauresh, an employee of the Centralized library system named after M. Auezov in Karaganda, spoke on the topic.

Participants and students told about the "Caravan route" of the great Chokan, about his scientific works and ideas of enlightenment, about his travels, about the opinions of other scientists about CH. Valikhanov, about addresses and monuments named after Chokan. The significance of educational ideas of Chokan in the educational process is revealed. The contribution of the scientist, educator, geographer, traveler, Democrat, ethnographer – CH. Ualikhanov to the field of education, to Kazakh literature and ways to advance to the world stage was discussed.
