

CURATORIAL MASTER CLASS

Subject:

"National spirit in the works of Kazakh poets»

Senior lecturer of the Department "industrial transport" of Karaganda Technical University Atken E. A. on November 24, 2020, within the framework of the program "Rukhani zhangyru" held a master class from a curatorial hour on the topic "national spirit in the works of Kazakh poets".

The main purpose of the master class is to develop and form students' personal views on their country and land through poems rich in national content and spiritual power in the works of Kazakh Poets, which belong to the main values of National pedagogy accumulated over the centuries, affecting the feelings of students at the level of National Knowledge. To promote the revival of the spiritual world and the interrelated development of feelings of pride and responsibility for their nation, to guide them.

A total of 47 people attended the lesson, of which 41 were students of the Department "industrial transport", the remaining 6 were from the following teaching staff:

Dean of the ZHKF Kurmasheva B. K.

Acting Department of PC Askarov B. Sh.

Head of the Department of Kazakh language and culture Kalybekova K. S.

Teachers of the PC Department: Abdygalieva S. zh., Kenzhekeeva A. R.,

Kosbarmakov S. Zh.

According to the participants, the master class was held at the highest level. During the lesson, they listened to the works of poets on video recording, played games on them in the direction of analysis, memory and memory reproduction in various types of games. It was an effective lesson that provided sufficient information from the moral life path and works of the four poets, which contributed to the spiritual nutrition of students.
