

On March 02, 2021, a master class of the curatorial hour of Pak I. A. in the TT-19-2 group was held remotely in the Microsoft Teams program at 15.00.

Purpose: to introduce students to the scientific activities of the geologist Gapeev A. A., to form a responsible attitude and interest in scientific activities within the walls of the university.

The curatorial hour was attended by the dean of the TDF Kurmasheva B. K., Deputy Director. Dean for VR Ospangalieva M. T., Deputy. Dean of the UR Dyusenbayev E. Sh., acting head of the department Zhumabekov A. T., member of the Council of Aksakals, Shalaev V. V. and other teachers of the faculty.

Participants: group TT-19-2 (the number of people in groups according to the list – 20 students, no latecomers, 18 were present), special participation was taken by Balatsky I., Zabrovsky V., Shumara A.

In general, the curatorial hour was informative and creative in nature, where students got acquainted in more detail with the personality of the research scientist A. A. Gapeev, revealed his personal human qualities and discussed his professional activities.

The goals and objectives of the Curatorial Hour were achieved.

Organizers: St. Rev. departments of TTiLS Pak I. A., students of gr. TT-19-2
