

On April 23, 2021, senior lecturer of the Department of Industrial Transport Kosbarmakov S. Zh. with his curatorial group (OP-19-1C, 15 students) and first-year students (OP-20-1, 8 students, 23 students in total) took part in the event "acquaintance with the project "100 new books" in the regional library named after N. V. Gogol". At this event, the library staff familiarized the staff of the First President of the Republic of Kazakhstan - Elbasy Nursultan Nazarbayev with the program "Bolashakka bagdar: Rukhani zhangyru" on the development of social and humanitarian sciences "New humanitarian education 100 new textbooks in the Kazakh language".

All the necessary conditions have been created for a full-fledged education of students in history, political science, sociology, philosophy, psychology, cultural studies, religious studies, linguistics, media, economics, management, entrepreneurship and innovation.

100 best textbooks in the world in all areas of humanitarian education have been translated into Kazakh from different languages, and young people have the opportunity to study on the basis of the best world samples.
