

In April 2021, the XIII Republican Subject Olympiad among students of higher educational institutions in the direction of "Materials Science and technology of new materials" was held at the Al-Farabi Kazakh National University. According to the results of the 2nd stage, students of Karaganda Technical University took prizes: Bolatova Kaliman-2nd place, Zhalel Aigerim-3rd place.

Scientific supervisors in the preparation of the team for the Olympiad were the teachers of the Department of NTM: Associate Professor, Ph. D. Narembekova A. and PhD Doctor Dostaeva A.M.

We congratulate the students on winning prizes and wish them further victories and high achievements!
