

Report about holding the Round Table “Independent Kazakhstan – my country!”

On November 16, 2021, at 13.00, an online round table “Tauelsiz Kazakhstan - elim menin!” was held at the regional level, dedicated to the 30th anniversary of Independence of the Republic of Kazakhstan. This event was organized and conducted by the Department of Mechanics. Responsible for this event were senior lecturer Rakhimbayeva Gulbanu Zhumadilovna and associate professor of the department Mikhailov Valentin Feliksovich. This event was attended by students of 1,2,3 courses of KarTU, KarSU, as well as students of the KVPK college, guests of the cities of Karaganda and Nur-Sultan. In total were 81 people.

The peculiarity of this event is that not only students and teachers were invited to the round table, but also guests from among the citizens of the country who contributed to the formation of our state and the development of the region.

The main purpose of this event is to convey to the younger generation the importance of the 30th anniversary of Independence, the invaluable merit of the First President of Kazakhstan - Elbasy Nursultan Nazarbayev in the formation and development of an independent state.

Moderator of the round table Rakhimbayeva Gulbanu Zhumadidovna welcomed all participants of the round table, said that

“...The round table “Tauelsiz Kazakhstan - elim menin!” is dedicated to the 30th anniversary of Independence of the Republic of Kazakhstan. Thanks to sovereignty, today we have become a country recognized throughout the world. Kazakhstan's achievements and successes over the years of independence are a legacy for the future generation, a reliable foundation for building a strong, independent and dynamically developing Kazakhstan in the XXI century. The participants of the round table will talk about the achievements of the country over 30 years of Independence and share their personal contributions and achievements to the development and prosperity of the Republic of Kazakhstan...”

The first word was given to Kyzyrov Kairulla Beisenbaevich - Chairman of the Council for Spiritual and Moral Education of the University, Professor of the Department of TOMiS.

Kairulla Beisenbaevich spoke about the strategic plans for the country's development in the conditions of independence, the problems of globalization and integration, as well as about the key role of the First President of the Republic of Kazakhstan – the Leader of the Nation N. A. Nazarbayev in the formation of a sovereign state. K.B. Kyzirov in his speech said that he studied with Nursultan Abishevich Nazarbayev. The leader of the Nation N.A. Nazarbayev is a graduate of the Karaganda Polytechnic Institute.

The Round Table was actively attended by employees of the city library named after Mukhtara Auezova. Bibliothecary Uvalieva Aynagul Kosherbaevna spoke with a statement on the topic "Independence is the pedestal of the eternal Country".

The guests of the round table also made presentations:

Rakhimbayev Abzal Zhuparovich - Head of the Department of Entrepreneurship and Agriculture of the city of Karaganda.

Doszhanov Nurlan Tleshovich - Acting Head (Administrative and Economic Department) Department of Education of the Akimat of Nur-Sultan.

Rakhimbayeva Nazerke Imanbakytovna - G. Nursultan, Nazarbayev University, doctoral student.

Omarova Bakytkul Zinelgabdinovna - Head of the Energy Department of the Karaganda Higher Polytechnic College.

Talasbayeva Nurgul Ermekovna - lecturer of the Department of Multilingualism of the Karaganda Higher Polytechnic College, curator of groups 9-2-ZCHS-19, 9-2-ZCHS-18.

The participants and guests of the round table made presentations, where they talked about their personal contributions and achievements. The performance of students and students was accompanied by a presentation of their achievements. The students showed special interest and asked a variety of questions. The speakers shared their plans for the future.

The following students made presentations:

Nurlan Yernar student group 9-1-EPP-19; Mukan Aruzhan student group 9-2-ZCHS-18 "Performed heroic deeds".

During the round table, more attention was paid to such values as Fatherland, patriotism, citizenship, loyalty to historical traditions.

The participants of the round table noted that one of the priorities in the educational process in modern conditions is the formation of an active civic position of students. The first step towards the formation of a sense of patriotism is the formation of a value attitude to the small motherland, since without respect for the past and for one's small homeland, love for the Motherland is impossible, the upbringing of a patriot ready to defend his Fatherland, striving for active participation in the life of his native city and country.

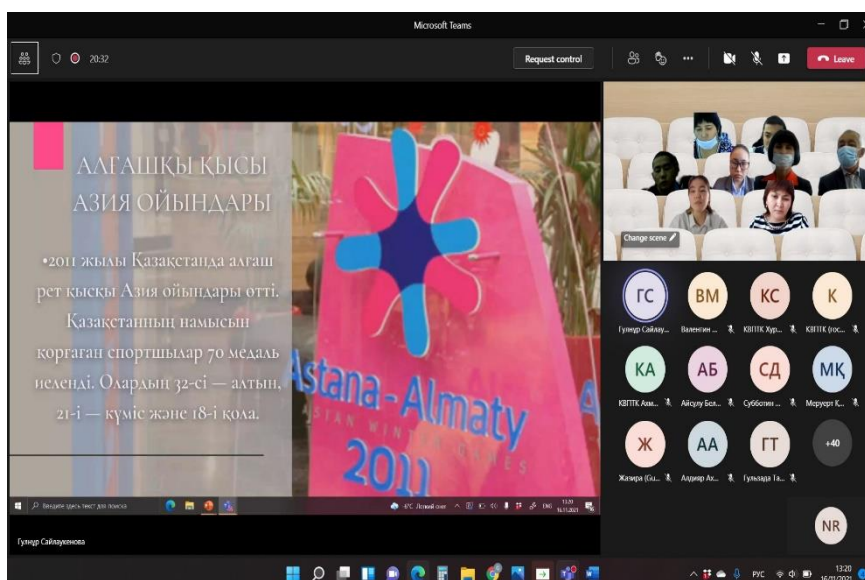

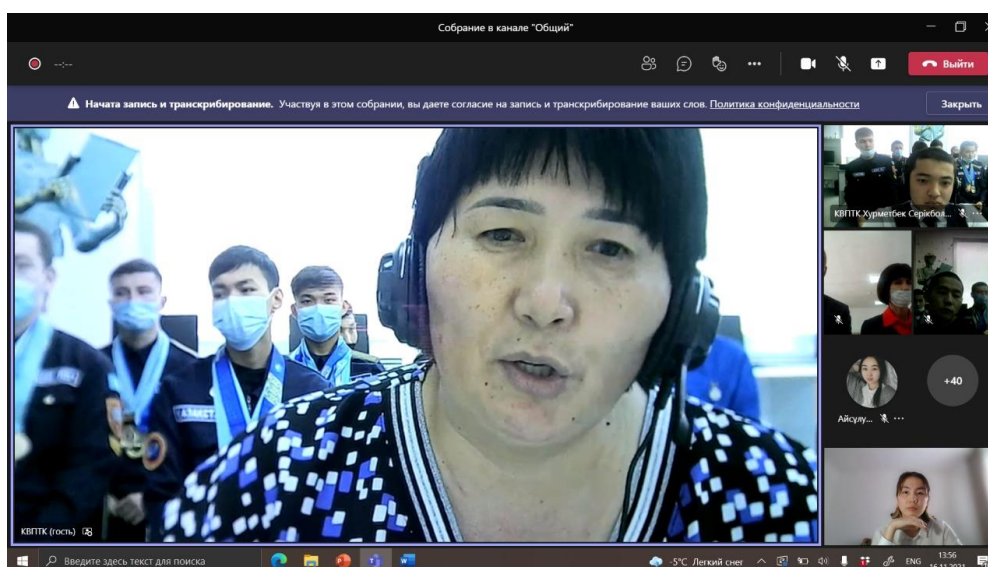

Gulnur Sailaukenova, a student of the ARCH-19-1 group, spoke with the words of the call to be a patriot of her Homeland.

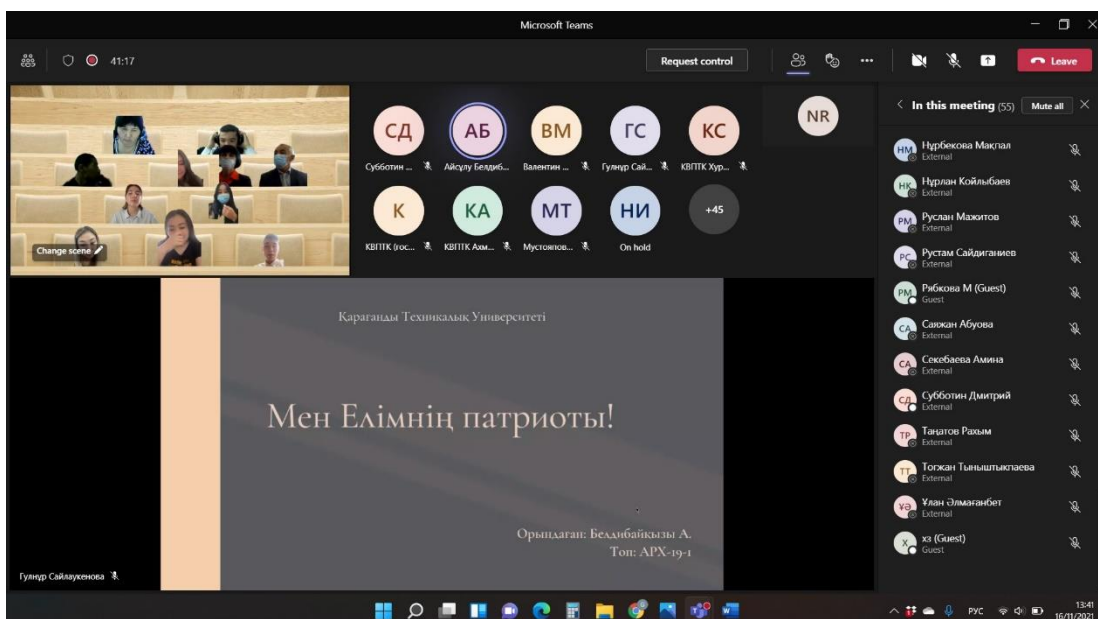

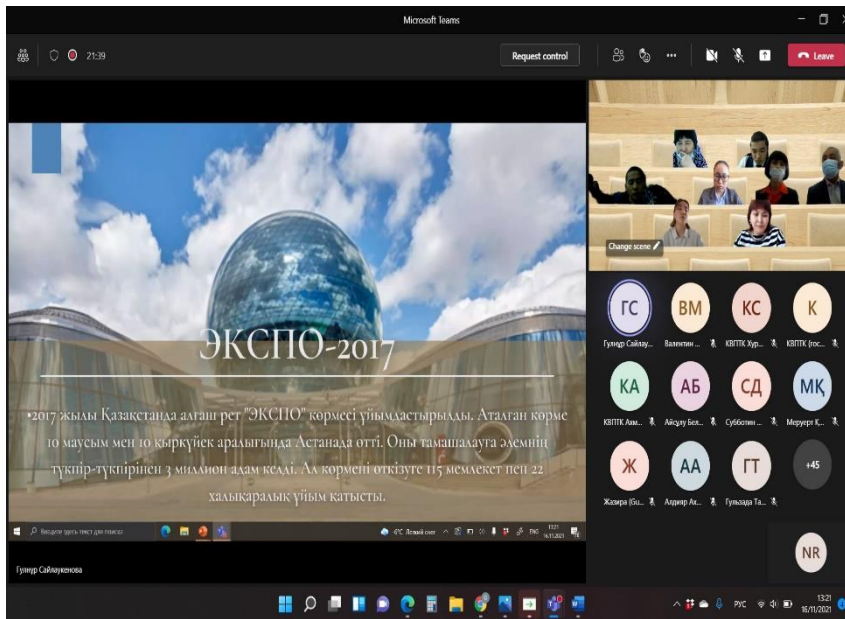

All the speakers highly appreciated this event.

The head of the Energy department of the Karaganda Higher Polytechnic College, Omarova Bakytkul Zinelgabdinovna, in her speech, highly appreciated the holding and organization of this event and wished for further cooperation.

All the speakers were awarded with a letter of thanks and a diploma.

In conclusion, Gulbanu Zhumadilovna Rakhymbaeva expressed gratitude to the guests, students and students for their active participation in the organization and holding of this event, encouraged students to continue studying the history of their country, to understand the depth and wisdom, to contribute to the development and prosperity of the Republic of Kazakhstan.

Мен, Хурметбек Серікбөл, Қарағанды облысы Бұқар-жырау ауданында тұрамын. Қарағанды жоғарғы политехникалық колледжін студентімін.

Өмірлік қағидам - «Жаксы іске жабысып, жамандықтан алыс болу». Ал бұл қағидаға сай болып өмір сүру үшін «Әсемпаз болмай әрінеге, Өнерпаз болсаң арқалаң» дегендей. Білімге ғлымға ғана әуес болу керек.

Өзім қатарлас жастарға және өзімді табандап келе жатқан ізбасарларыма сөз соңында айтарым, сіздер де бір уақытта міндетті түрде дәл сол ата-апаларымыз секілді балаларыңызға жарқын болашақ тілейтін сәт туады. Армандайсыздар, ұрпағыңыздың дамыған елде өз орнын тауып, ер жеткенін қалайсыздар. Міне, сол сәтте арманда кетпес үшін, өзіңіз қазір өзіңізге және сіз жасайтын керемет ел болашағына сеніңіз. Өзге емес, өзіңіздің, өз еліңіздің атынан сөйлеңіз!
