

INFORMATION LETTER

Center for engineering pedagogy announces the recruitment of students for training in the educational program of the pedagogical profile for persons who have completed a specialized master's degree.

Completion of an educational program in the pedagogical profile gives the right to scientific and pedagogical activity, as well as admission to a PhD doctorate.

Training in the educational program of the pedagogical profile is planned for the period from February to May annually.

The educational program of the pedagogical profile for persons who have completed a specialized master's degree is implemented in accordance with paragraph 36 of the state compulsory standard of postgraduate education (appendix 2 to the order of the Minister of science and higher education of the Republic of Kazakhstan dated July 20, 2022 No. 2 «On approval of the state compulsory standards of higher and postgraduate education») and is 30 academic credits.

Upon successful completion of the cycle of disciplines and activities of this program, a corresponding certificate of completion is issued.

Payment for tuition and conclusion of the contract are made after the formation of groups.

More information about the program can be found at the Institute of Continuous Education of Abylkas Saginov Karaganda Technical University, tel. 56-52-33 (ext. 1106, 1117), +7 700 391 43 00), ino@ktu.edu.kz;

List of documents required for enrollment:

- registration form for training (filled out when submitting documents or sent to e-mail: ino@ktu.edu.kz;
 - application for admission to study (filled out when submitting documents);
 - diploma and transcripts in three languages on completion of a specialized master's degree (original and copies);
 - copy of identity card;
