

The Department "Professional education and pedagogy" February 11, 2020. in the framework of the cycle of spiritual and moral education, formation of students ' religious literacy was organized and held a meeting of students of the specialty "Vocational training" in the amount of 20 persons with a theologian (a theologian) by J. Tusupbaeva And on the topic: «Діни сауаттылық – қоғам қауіпсіздігі».

In the context of globalization, the issue of religious literacy of young people is quite relevant. Today, we can't imagine our life without smartphones (gadgets), having open access to the Internet, through smartphones, a student is free to visit various sites and due to his age and not having full information and knowledge about religion, visits prohibited sites dedicated to religion, where he receives distorted knowledge and information about religion. This meeting with a theologian (a theologian) by Tokubaeva J. A., helped the students to understand about the dangers of banned sites on religious themes. Students received the initial necessary knowledge about religion and received answers to their questions.
