

## Hour of Integrity by Yerzhan Khamitov

On November 25, 2021, the Hour of Integrity was held at the College of Innovative Technologies of Karaganda Technical University, the speaker of which this time was the chairman of the Karaganda regional branch of the Youth Center of the Zhas Otan wing under the Nur Otan party Yerzhan Khamitov. The students watched a video about his life positions and activities with great attention. Yerzhan Khamitov noted that the main goal of his life is to serve the Motherland. Yerzhan Khamitov builds his activities on the basis of the great precepts of Al-Farabi, Abay, Shakarim, Alikhan Bukeikhanov. He believes that young people should serve their people on the principles of justice, honesty, decency.

After watching the video, students during the discussion discussed the issues of active involvement of students in the process of combating corruption, raising the level of anti-corruption perception, strengthening the principles of academic honesty among students. College students support Yerzhan Khamitov's position.
