

Master's degree

Direction code preparation	Direction preparation	Group number OP	Educational groups programs	Educational code programs	Name educational programs
7M014	Preparation teachers With subject specialization in general development	M008	Preparation teachers vocational training	7M01402	Engineering and pedagogical activity (By industries) (Innovative from 2021)
7M041	Business And control	M070	Economy	7M04104	Economy industry
				7M04102	Management strategy for mining operations enterprises (Innovative With 2021)
7M061	Information and communication technologies	M094	Information technologies	7M06101	Information systems
				7M06102	Computing technique And software security
				7M06103	Machine education And analysis data (New With 2021)
7M071	Engineering And engineering case	M097	Chemical engineering And processes	7M07108	Chemical technology organic substances
		M098	Thermal power engineering	7M07106	Thermal power engineering
		M099	Energy And electrical engineering	7M07107	Electric power industry
		M100	Automation And control	7M07101	Automation And control
		M101	Materials Science And technology new materials	7M07102	Materials Science And technology new materials
		M102	Robotics And electronics	7M07105	Instrumentation
		M103	Mechanics And metalworking	7M07109	Technological cars And equipment (By industries)
				7M07103	Mechanical engineering
		M104	Transport, transport technique And technologies	7M07104	Transport, transport technique And technologies
M109	Oil And ore geophysics	7M07201	Geophysical search methods and deposits useful fossils intelligence		
7M072	Manufacturing and processing industry	M116	Mountain engineering	7M07203	Gornoe case
		M117	Metallurgical engineering	7M07204	Metallurgy
		M120	Surveying case	7M07205	Surveying case
		M121	Geology	7M07202	Geology and exploration of mineral deposits fossils
7M073	Architecture And construction	M123	Geodesy	7M07301	Geodesy
		M124	Construction	7M07302	Construction
		M125	Production construction materials, products and structures	7M07303	Production of building materials, products and structures
		M128	Land management	7M07305	Remote probing land (Innovative With 2021)
7M07304	Cartography				
7M075	Standardization, certification And metrological industry	M130	Standardization, certification and metrology (By industries)	7M07501	Standardization And certification (By industries)
7M112	Hygiene And security labor in production	M150	Sanitary and preventive measures	7M11201	Safety vital activity And protection environment _
7M113	Transport services	M151	Transport services	7M11301	Organization of transportation and traffic
