

**Survey form**  
**“Doctoral Students’ Satisfaction with Educational Services”**

**Dear doctoral students!**

The Center for Quality Management and Accreditation conducts a survey, the purpose of which is to identify problems that arise in the process of training and scientific work of doctoral students at KTU. We ask you to participate in this survey by answering the questions. The results of the survey will be used to ensure that your learning needs are met to the maximum. When answering the survey questions, follow the instructions after the question.

1. Rate the quality of educational services provided by our University:  
 5 – excellent; 4 - very good; 3 - good; 2 - satisfactory; 1 - unsatisfactory, bad.

	Criteria of rating	Mark, point				
		1	2	3	4	5
1	Relevance and compliance with your scientific interests of the proposed topic of dissertation research					
2	The level of organizational, methodological and information support for preparing a dissertation research					
3	Professionalism and competence of the supervisor					
4	Opportunities for approbation and publication of the results of dissertation research					
5	Access to participation in departmental research projects including funded ones					
6	The prompt response of the University to your requests					
7	Availability, completeness and reliability of information of scientific events held at the University and beyond					
8	The general level of organization and conducting foreign internships					
9	The effectiveness of a foreign internship for you
