

21.11.2024. A curatorial hour on “Measures to prevent religious extremism and terrorism” was held at the College of Innovative Technologies of Karaganda Technical University named after Abylkas Saginov within the framework of the Birtutas Tarbieh program in KORMPI-11/24-1 and KORMPI-11/24-2k groups.

Yerzhan Malikovich Yeskazin, Head of the Interfaith Sector and Religious Affairs at the Karaganda City Youth Resource Center, was invited to the curatorial hour.

During the curatorial hour, Yerzhan Malikovich gave the students a deep understanding of terrorism and spoke about its types, causes and consequences.

After familiarizing teenagers with the social, legal, and religious characteristics of society, they urged them not to succumb to terrorism and religious extremism.
