

## Participation in the campaign for planting seedlings

In the park named after Martbek Mamraev (Microdistrict "Vostok-5") on April 23, an event was held to plant seedlings of trees, dedicated to Earth Day and International Forest Day. The campaign has been held on a traditional basis for more than 10 years at the initiative of the Department of Natural Resources and Environmental Management of the Karaganda region. From the Department of Technology and Communication Systems, students of the RET-20-1, RET-20-2 and RET-21-2 groups and their curators took part: Belik G.A., Zhumanbetova M.A., Gavrilova M.A.
