

Survey form
«Teacher through the eyes of students»
2023-2024 ac. year

Dear students,

The Center of Quality Management and Accreditation conducts an electronic anonymous survey. The purpose of this survey is to study the quality of the disciplines taught and the professional skills of the teachers, to determine the rating of the teacher through the eyes of students. The survey is conducted anonymously. Please be very careful and responsible when filling out the questionnaire. Try to fill out the questionnaire carefully and conscientiously, being guided by the norms of ethics and morality. The confidentiality of your opinion is guaranteed.

For each question, you should evaluate the level of teaching on the following scale:

- 5 - Completely agree;
- 4 - Rather agree;
- 3 - Partly agree, partly disagree;
- 2 - Rather disagree;
- 1 - Completely disagree.

Department _____

Teacher's name _____

No.	Qualities	Grade points
Teacher's classes from the point of view of their content		
1	Classes (lectures, practical, seminars, laboratory classes) of the teacher are informative, relevant and do not contain vague formulations	
2	The teacher focuses on the use of the studied material in future professional activities	
3	The tasks offered in the classroom and for self-study works, formulated clearly, logically related to the material being studied	
4	An electronic resource on an academic discipline prepared by the teacher helps its high-quality development	
5	The teacher explains what professionally important qualities are formed by the subject being studied	
6	The questions at the exam or test correspond to the content of the classroom and independent work	

Teacher's classes from the point of view of their organization		
7	The teacher involves students in scientific activities (involves them in writing articles, scientific papers, participation in scientific conferences, olympiads, grants, etc.)	
8	The teacher demands for implementing the curriculum	
9	The teacher monitors and comments on the tasks execution and grades assigned for them	
10	The teacher explains difficult places, gives reasoned, exhaustive answers to all the questions	
11	The teachers is freely oriented and possesses the material and rational use of time in the classroom	
12	The teacher has the ability to control the situation and to control him (her)self	
Student's attitude to the teacher as a personality		
13	The teacher is distinguished by demeanor and appearance	
14	Erudition and culture of speech (the speech of the teacher is professional, expressive, understandable, allows you to make the necessary entries)	
15	The teacher is friendly, positive and tactful towards students	
16	I would recommend this teacher's course to the other students
