

## **On 17.11.2022, a Career Day was held at the faculties of FIT and FEEM**

The event was attended by representatives of 2 companies: 1C: Franchising Karaganda LLP and NPJSC and LLP "Micro Solutions".

Karaganda Technical University named after Abylkas Saginov actively cooperates with "1C: Franchising Karaganda LLP", which is a member of the innovation and educational consortium "Corporate University". Cooperation is expressed both in conducting practices and in certification of university students based on the organization, and in providing licensed software for students of economic and IT specialties of the university. The best graduates of our university are successfully employed in this company – Ryabushko D.A., Tolstomirov R.Sh. were participants and prize-winners of international programming competitions in the 1C environment.

LLP "Micro Solutions" is a supplier of analytical and auxiliary laboratory equipment to more than 50 leading global manufacturers in Europe and Asia: NINGBO SUNNY INSTRUMENTS CO., LTD - (PRC), APPLIED SPECTRAL IMAGING Inc. (Israel), JEIO TECH CO. (South Korea), Moller Medical GmbH (Germany), Medite GmbH, Xi'an Tianlong Science and Technology Co., LTD (PRC), EuroClone (Italy), Bruker Corporation, Bruker Daltonik GmbH, Mettler Toledo (Germany), BIORUS (Russia) and many others. LLP "Micro Solutions" also supplies laboratory equipment on the territory of Central Asian countries: Kazakhstan, Uzbekistan, Kyrgyzstan, Turkmenistan, Tajikistan, as well as Georgia, Armenia and Azerbaijan.

The event was held in a lively conversation between students and representatives of enterprises. Students asked questions about employment.
