

№	Full name	Educational programs (list of subjects studied)	Period of study (number of credits completed)	Partner University
2019-2020				
1.	Alibek Nurbekovich Anarkulov	5B070400 VTPO (Software development, Java Programming, Database Introduction, Computer network)	01.10.2019-21.02.2020 (24 credits)	Krakov Polytechnic University, (Poland)
2.	Ismailov Rakhat Asylkhanovich	5B070400 VTPO (Software development, Java Programming, Database Introduction, Computer network)	01.10.2019-21.02.2020 (24 credits)	Krakov Polytechnic University, (Poland)
3.	Magazova Aizhan Ermekovna	5B070400 VTPO (Theoretical foundations of Computer Science, C++ Programming, Introduction of databases, Principles of Macroeconomics)	21.02.2020-30.06.2020 (22 credits)	Krakov Polytechnic University, (Poland)
4.	Mustaev Rustem Dzhambululy	5B070400 VTPO (Software development, Java Programming, Introduction to the database, Computer network)	01.10.2019-21.02.2020 (24 credits)	Krakov Polytechnic University, (Poland)
5.	Tabashnyuk Evgeniya Vitalievich	5B070400 VTPO (Philosophy, OS, Discrete Mathematics, Intelligent Systems and Technologies, Programming)	02.09.2019-31.01.2020 (20 credits)	Tomsk Polytechnic University, (Russia)
6.	Gulfiya Maratkyzy Userbayeva	5B070400 «BTIO» ((Internet application, Computer Graphics and Visualization, Introduction to OT, Polish Language Courses)	01.10.2019-21.02.2020 (13 credits)	Poznan Polytechnic University, (Poland)
7.	Kotlyarov Nikolai Alexandrovich	5B070400 «BTIO» (Logic Circuits, Electronic Circuits, Electronics, Programming Language II, Safety in Electronics)	03.02.2020-30.06.2020 (23 credits)	Ostrava Technical University, (Czech Republic)
2020-2021				
8.	Jacquina Madina Maulenkyzy	6B06301 "SIB" (Computer information security technologies, Digital circuitry, Cryptography and computer security, Communication networks, Network modeling, Security in электронике)	29.01.2021-30.06.2021 (22 credits)	Ostrava Technical University, (Czech Republic)
9.	Abikenova Nazerke Dulatovna	5B070400 "VTPO" ((Schematics of operating devices, DBMS)	25.01.2021-30.06.2021 (10 credits)	St. Petersburg Polytechnic University, (Russia)
10.	Toimbekova Rabiga Kairatkyzy	5B070400 "VTPO" ((Schematics of operating devices, DBMS)	25.01.2021-30.06.2021 (10 credits)	St. Petersburg Polytechnic University, (Russia)
2021-2022				
11.	Amanov Aidos Nurlanovich	(5B070400 VTPO ((Schematics of operating devices, DBMS)	01.02.2022-30.06.2022 (10 credits)	St. Petersburg Polytechnic University, (Russia)

12.	Dadanin Anton Maksimovich	5B070400 VTPO (Electrical engineering, Programming technologies, Telecommunications networks)	07.02.2022-30.06.2022 (12 credits)	Tomsk Polytechnic University, (Russia)
2022-2023				
13.	Khitrov Viktor Alekseevich	6B06104 "VTPO" (Networks and telecommunications, Design and architecture of software systems, Numerical solutions of engineering problems)	06.02.2023-30.06.2023 (19 credits)	Tomsk Polytechnic University, (Russia)
14.	Billurit Mansur Rashituli	6B06104 "VTPO" (Networks and telecommunications, Design and architecture of software systems, Numerical solutions of engineering problems)	06.02.2023-30.06.2023 (19 credits)	Tomsk Polytechnic University, (Russia)
15.	Aldoshin Vladislav Vyacheslavovich	6B06104 "VTPO" (Networks and telecommunications, Design and architecture of software systems, Numerical solutions of engineering problems)	06.02.2023-30.06.2023 (19 credits)	Tomsk Polytechnic University, (Russia))
16.	Jacquina Madina Maulenkyzy	6B06301 "SIB" (Web application programming, International Business Management, Marketing Basics, Software packages for statistics, English language and communication methods, IP design)	01.10.2022-14.02.2023 (26 credits)	Romanian-American University, (Romania)
17.	Bakytuly Nurtilieu	6B06301 "SIB" (International Business Management, Fundamentals of Marketing, Web application programming, Software packages for statistics, English language and communication methods, IP design)	01.10.2022-14.02.2023 (26 credits)	Romanian-American University, (Romania)
18.	Kurbanova Kamazhai Bauyrzhankyzy	5B070400 "VTPO" (Fundamentals of the process of developing a high-quality software product and its metrology, Fundamentals of software engineering, Low-level programming)	02.09.2022-31.01.2023 (15 credits)	St. Petersburg Polytechnic University, (Russia)
2023-2024				
19.	Beckerman Kristina Vyacheslavovna	6B06301 "SIB" (Management, Software Programming, Databases, IP design, English and commercial correspondence)	02.10.2023-11.02.2024 (21 credits)	Romanian-American University, (Romania)
20.	Anel Askarovna Tusupova	6B06301 "SIB" (Management, Software Programming, Databases, IP design, English and commercial correspondence)	02.10.2023-11.02.2024 (21 credits)	Romanian-American University, (Romania)

		design, English and commercial correspondence)		
21.	Abduahit Lina Bagdatovna	6B06301 "SIB" (Management, Software Programming, Databases, IP Design, English and Commercial корреспонденция)	02.10.2023-11.02.2024 (21 credits)	Romanian-American University, (Romania)
22.	Abdrakhmanov Mukhamedkarim Kadyrovich	6B06301 "SIB" (Computer modeling, Mathematical finance, Introduction to databases, Software development)	02.10.2023-16.02.2024 (24 credits)	Krakov Polytechnic University, (Poland)
