2 Persons with secondary, technical and vocational or post-secondary education, with the exception of those entering related areas of training of higher education personnel, providing for reduced terms of study, who have passed the UNT and wish to participate in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget and (or) to be enrolled in paid education in national OHVE, it is necessary to score at least 65 points on the results of the UNT, and in the areas of education "Pedagogical Sciences", "Agriculture and Bioresources", "Veterinary Science" at least 60 points, in other OHVE at least 50 points, and in the field of "Pedagogical sciences" at least 60 points, in the field of education "Health and social security (medicine)" at least 65 points, including at least 5 points in the history of Kazakhstan, mathematical literacy, reading literacy of the language of instruction, and at least 5 points for each profile subject meta, with the exception of applicants for educational programs of higher education that require creative training.

Persons with secondary, technical and vocational or post-secondary education, entering higher education programs requiring creative training, with the exception of those entering related areas of higher education personnel training, providing for reduced terms of study, who have passed the UNT and wish to participate in the competition for the award of an educational grant higher education at the expense of the republican budget or the local budget and (or) to enroll in paid education in national OHVE, must score at least 65 points on the results of the UNT and creative exams, and at least 60 points in the field of education "Pedagogical Sciences", at the others OHVE at least 50 points, and in the field of education "Pedagogical Sciences" at least 60 points, including at least 5 points in the history of Kazakhstan, reading literacy of the language of instruction, and at least 5 points for each creative exam.

Persons with technical and vocational, post-secondary education, entering related areas of training of higher education personnel, providing for reduced terms of study, who have passed the UNT and wish to participate in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget, must be recruited based on the results of the UNT at least 25 points, including at least 5 points in a general professional discipline and at least 5 points in a special discipline, with the exception of those entering higher education programs that require creative training.

Persons with technical and vocational, post-secondary education, entering related areas of training of higher education personnel, providing for reduced terms of study, requiring creative

training, who have passed the UNT and wish to participate in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget must score at least 25 points based on the results of the UNT and the creative exam, including at least 5 points for the creative exam and at least 5 points for a special discipline.

Paragraph 1. Procedure for admission and conducting special and (or) creative examinations

1. Admission to study in groups of educational programs of higher education requiring special and (or) creative training, including in the areas of education "Pedagogical Sciences" and "Health and social security (medicine)", is carried out taking into account the results of special and (or)) creative exams.

2. For organizing and conducting special and (or) creative examinations, by the decision of the head of the OHVE or by the person acting in his capacity, an examination commission is created for the period of the examination.

The commission includes representatives of the OHVE from among the teaching staff, public organizations, and the media. The composition of the commission for creative examinations in the areas of training "Art" and "Training of teachers with a subject specialization in general development" also includes persons who have the appropriate education in the profile and are recommended by the local authorized body in the field of culture and sports.

3. The commission consists of an odd number, and the chairman of the commission is elected by a majority of votes from among the members of the commission. The decision of the commission is considered valid if at least two thirds of its members are present at the meeting. The decision of the commission is made by a majority vote of those present at the exam. In case of equality of votes, the vote of the chairman of the commission is decisive.

4. Conducting special and (or) creative exams is carried out by groups of educational programs, in accordance with the List of groups of educational programs for which special and (or) creative exams are held in accordance with Appendix 1 to these Model Rules.

5. Persons entering higher education programs that require special and (or) creative training, including in the field of education "Pedagogical Sciences", for passing special and (or) creative exams, submit the following documents to the admission committee of the OHVE:

1) a document on general secondary or technical and vocational, post-secondary education (original);

2) 2 photographs 3 x 4 centimeters in size;

3) a copy of an identity document;

4) a UNT certificate (if available);

5) a copy of a document confirming the presence of one of the sports categories and (or) sports titles established by paragraph 1 of Article 35 of the Law of the Republic of Kazakhstan dated July 3, 2014 "On physical culture and sports" (if any).

6. Acceptance of applications from applicants for passing the creative exam is carried out in the OVPO chosen by them from June 20 to July 7 of the calendar year.

The creative exam is held from 8 to 13 July of the calendar year.

7. Persons entering the group of educational programs of higher education requiring creative training, having documents on general secondary, technical and vocational or post-secondary education, pass two creative exams.

Persons entering a group of educational programs of higher education, requiring creative training in related areas of training of higher education personnel, providing for reduced terms of study, pass one creative exam.

The form of conducting special and (or) creative examinations is established in accordance with Appendix 2 to these Model Rules. 26. The results of the creative exam are documented in the assessment sheet, the results of the special exam - in the admission sheet, the protocol of the commission in any form and are transferred to the executive secretary of the selection committee (his deputy) to announce the results. The protocol of the commission is signed by the chairman and all

present members of the commission.

8. The results of special and (or) creative exams are announced on the day of the exam.

9. According to the results of special examinations in the areas of education

10. "Pedagogical sciences" and "Health care and social security (medicine)" the applicant is issued an extract from the admission sheet for presentation to the OVPO at the place of enrollment.

11. Based on the results of the creative exam, the applicant is issued an extract from the assessment sheet for admission to the OVPO on a paid basis, regardless of the place where the creative exam was passed.

12. For the period of the examinations, in order to comply with the requirements for a special and (or) creative examination, resolve disputes, protect the rights of persons taking the relevant examinations, an appeal commission is created by order of the head of each OVPO or a person acting in his duties, the composition of which consists from an odd number of members, including its chairman.

13. An application for appeal is submitted to the chairman of the appeal commission personally by the person who passed the special or creative exam, is accepted until 13.00 the next day after the announcement of the results of the special or creative exam and is considered by the appeal commission within one day.

14. The decision of the Appeal Commission is considered valid if at least two thirds of its members are present at the meeting. The decision on the appeal of disagreement with the results of a special or creative examination is made by a majority of votes from the number of members of the commission present. In case of equality of votes of the members of the appeal commission, the chairman's vote is decisive. The work of the appeal commission is documented in a protocol signed by the chairman and all present members of the commission.

Chapter 3. Procedure for enrollment to the OHVE

1. An extract from the register (for applicants for educational programs of higher education requiring special and (or) creative training, including in the areas of education "Pedagogical Sciences" and "Health and social security (medicine)");

2. Holders of certificates of awarding an educational grant for groups of creative educational programs of higher education are enrolled in the OHVE in which they passed creative exams.

3. Admission to the OHVE is carried out separately for educational programs of higher education and language departments.

4. Enrollment in educational programs of higher education, for which creative exams are established, is carried out taking into account the scores for these exams, with the exception of those entering related areas of training of higher education personnel, which provide for reduced terms of study.
