

No	Name of the group of educational programs CODE	Name of educational program	The passing score for admission		
			number of grants by RK	general competition	rural quota
1	Management and governance	Economics in industry	325	119	107
2	Audit and taxation	Accounting and auditing in industry	136	113	105
3	Finance, economics, banking and insurance	Assessment (by branch)	368	113	
4	Biological and related sciences	Biotechnology	890	80	
5	Information technology	Information systems Computing technology and software IT - medicine	4399	96	53
6	Information security	Information security systems	2940	62	
7	Communications and communication technologies	Radio engineering, electronics and telecommunications	1100	68	56
8	Chemical engineering and processes	Chemical technology of organic substances	893	50	
9	Materials science and technology	Materials science and technology of new materials	169	50	
10	Electrical engineering and power engineering	Heat power engineering Electric power industry	2092	58	50
11	Electrical engineering and automation	Automation and management Integrated digital control systems	1020	61	
12	Mechanics and metalworking	Mechanical engineering Technological machines and equipment (by branches) Digital technologies in mechanical engineering	1650	50	
13	Automotive Vehicles (Transportation Engineering and Technology)	Transportation, transport equipment and technologies	708	50	50

14	Mining and minerals extraction	Geology and exploration of mineral deposits Mineral enrichment Metallurgy Mining Oil and gas Surveying Construction of mining enterprises and underground facilities Geophysical technologies and engineering	1750	50	
15	Architecture	Architecture	474	111	
16	Urban planning, building works and civil engineering	Construction Transport construction Production of building materials, products and structures Geodesy and cartography Engineering systems of buildings and structures	2550	52	
17	Cadastre and land surveying	Digital aerial photography	290	85	78
18	Standardization, certification and metrology (by branches)	Standardization and certification (by branches)	310	66	
19	Sanitary and preventive measures	Life safety and environmental protection	300	67	59
20	Transportation services	Organization of transportation, traffic and operation of transport Logistics (Transport)	298	108	99
