

## **Report on educational work for the spring term 2022-2023 academic year**

The educational work of the Department of Russian Language and Culture in the spring semester was carried out in accordance with the approved plan. Teachers held 8 events:

1) Internet Olympiad for knowledge of three languages (Kazakh, Russian and English) among students of 11th grade of schools in Karaganda and Karaganda region;

2) Republican competition of video presentations "Volunteering - good with a capital letter";

3) Republican discussion platform "Is it easy to be young?";

4) Regional essay competition "Bukhar Zhyrau - the great sage of the Kazakh steppe", dedicated to the 355th anniversary of the outstanding representative of the Kazakh oral and poetic creativity;

5) Video presentation competition "Being healthy is great!", dedicated to the Day of Health;

6) Intellectual game (linguistic cross) "To be literate means to be successful", dedicated to the 70th anniversary of the university;

7) Dictation competition "Patriotism as a source of strength of the human spirit", dedicated to the Defender of the Fatherland Day;

8) Photo contest "Ecology - safety - life".

Between February and April 2023, 13 unscheduled events were held.

On February 28, 2023, the teaching staff of the Department of Russian Language and Culture held an informational and explanatory conversation "How to counter cyberbullying?" with students of groups GPR-22-1 and CAF-22-1, during which the problems of harassment on the Internet were discussed. The students asked all their questions and were informed about the prevention of cyberbullying.

On March 3, 2023, a round table "Material benefits or spiritual development?" was held, the purpose of which was to familiarize students with the concept of the value of life. The students were actively involved in the discussion, expressed their opinion, gave various arguments and came to the conclusion that a balance is needed between spiritual development and material well-being.

The charity event "Time to give warmth" was organized by the department on the eve of International Women's Day. Teachers of the Russian Language and Culture and students of the Arch-22-1 group congratulated the veteran of the Department of Russian Language and Culture Chuikina Lidia Aleksandrovna.

Volunteer action "Give good!" held March 11, 2023. Twenty students were assisted in the form of snow clearing on the territory of the "Blagodat" home for the elderly.

On March 14, 2023, during the round table "Cultural boycott - a modern form of cyber ostracism", students considered the main threats of the Internet and determined the basic rules of behavior on the Web.

On March 30, 2023, 65 students took part in the conversation "Counteracting manifestations of religious and political extremism in society." The teaching staff

of the department with the deputy chairman of the Council for Spiritual and Moral Education of the Karaganda Technical University named after Abylkas Saginov Tusupbekov Zharkyn Amantayevich was invited to the event by the naib imam of the Karaganda city mosque No. 1 named after Al-Mashani Yermakhan Oralbai Adilbekuly and a psychologist of KSU "Center for the Study and Analysis of Problems of Interfaith Relations in the Karaganda Region" under the Department of Religious Affairs Mұқан Saule Muratkyzy. The lecturers noted the importance of forming legal and religious literacy among students in connection with the prevention of offenses. Students were informed about the dangers of distributing non-traditional religious materials on social networks and registering in dubious religious groups.

The musical and literary evening in honor of the 130th anniversary of the birth of Magzhan Zhumabaev "Alashtyn sonbes zhuldyzy" was organized by the teaching staff of the department "Development of mineral deposits" together with the department "Russian language and culture" on March 30, 2023. During the event, reports were heard on the role of Magzhan Zhumabaev in poetry, a presentation and videos about his life and work were presented, poems and songs were sung.

At the end of the evening, the students were offered a Q&A quiz. Students received memorable prizes for knowledge of the poet's creative biography.

More than 200 students from universities and colleges of Karaganda and Karaganda region took part in the Regional Online Olympiad "Kaleidoscope of Traditions", dedicated to the Day of Unity of the People of Kazakhstan. When determining the winners, the number of points scored and the time taken to pass the test were taken into account. The results of the event were summed up and the winners were announced.

On April 6, 2023, 52 students took part in the information and explanatory conversation "Improving the Religious Literacy of Youth". Psychologist Mukan Saule Muratkyzy informed the students about the peculiarities of extremism and terrorism among the youth. The lecturer paid attention to communication in social networks and its possible negative impact on users.

During the debate "A World Without Violence", issues of the spread of cyberbullying in the space of network interactions as a form of destructive activity of young people were discussed.

At the event "Captured by the Internet", issues of prevention of Internet addiction and the causes of its occurrence were discussed; positive and negative aspects of the World Wide Web; conducted trainings on the development of soft skills.

The presentation of the webinar "Internet addiction - a problem of modern society" discussed the problems, types, causes, stages of development, symptoms of Internet addiction.

The intellectual game (linguistic cross) "To be literate means to be successful", dedicated to the 70th anniversary of the university, was held on April 20, 2023. The responses of the teams were evaluated by an expert commission. A team of

students of the Faculty of Architecture and Construction "Architects" was awarded the 1st degree diploma.
