Marketing and Career Guidance Department
tel.: +7 (7212) 56 -78 -38, +7700 - 395 - 65 - 09, +7707 - 583 - 90 - 32
admissions committee:
tel.: +7 (7212) 56 - 44 - 22, +7702 - 792 - 68 - 73

Karaganda city, N. Nazarbayev Ave., 56/1
building No. 1, room 212

State Educational Order for 2024					
Group No.	Name of the Educational Program Group	EP Code	Name of the Educational Program	Number of Grants in RK	Passing Score
Fundamentals of Economics - Management					
B044	Management and Administration	6B04107	Industrial Economics	-	-
Finance and Credit - Economics of Organization					
B045	Audit and Taxation	6B04108	Accounting and auditing in industry	-	-
Finance and credit - Finance in the organization					
B046	Finance, Economics, Banking and Insurance	6B04109	Evaluation (by industry)	-	-
B047	Marketing and Advertising	6B04110	Industrial marketing	-	-
Mathematics - Fundamentals of Algorithmization and Programming					
B057	Information Technologies	6B06102 6B06104	Information Systems Computer Engineering and Software	300	38
Math - Computer Science					
B058	Information Security	6B06301	Systems of Information security	300	25
Physics - Electronics and fundamentals of circuitry					
B059	Communications and Communication Technologies	6B06201	Radio Engineering, Electronics and Telecommunications	150	25
Chemistry - General Chemical Technology					
B060	Chemical Engineering and Processes	6B07110	Chemical Technology of Organic Substances	70	25
Physics - Fundamentals of Materials Science					
B061	Materials Science and Technologies	6B07103	Materials Science and Technology of New Materials	10	26
Theoretical fundamentals of electrical engineering (теплотехники) - Охрана труда					
B062	Electrical Engineering and Energy	6B07109	Electric power engineering	30	25
B162	Thermal power engineering	6B07112	Engineering of thermal systems	130	25
Mathematics - Automation of technological processes of the industry					
B063	Electrical Engineering and Automation	6B07101 6B07102	Automation and Control Integrated digital control system	30	25
Materials Science - Occupational Health and Safety					
B064	Mechanics and Metalworking	6B07104 6B07111	Mechanical Engineering Technological Machines and Equipment (by industry)	70	25
Physics - Occupational safety					
B065	Transport Engineering and Technologies	6B07106	Transport, Transport Equipment and Technology	20	25
General geology - Occupational health and safety					
B071	Mining and Extraction of Mineral Resources	6B07201 6B07202 6B07205 6B07206 6B07207 6B07210	Geology and Exploration of Mineral Deposits Mining Mineral Processing Mine Surveying Construction of Mining Enterprises and Underground Facilities Industrial Transport in the Mining Industry	50	25
Metallurgy - Fundamentals of Metallurgical Production					
B171	Metallurgy	6B07209	Metallurgical Engineering	40	25
Creative Examination - Drawing					
B073	Architecture	6B07301	Architecture	3	26
Construction materials - Occupational health and safety					
B126	Transport Construction	6B07308	Transportation construction and operation of highways	-	-
B074	Urban Planning, Construction Works, and Civil Engineering	6B07302 6B07304 6B07307	Geodesy and Cartography Civil Engineering Engineering Systems of Buildings and Structures	50	25
Physical Geography - Geodesy					
B075	Cadastre and Land Management	6B07303	Digital Aerial Photography	20	25
B094	Sanitary and Preventive Measures	6B11201	Life Safety and Environmental Protection	0	0
Physics - Occupational safety					
B095	Transport Services	6B11301 6B11302	Organization of transport, traffic and operation of transport Logistic (Transport)	50	29
