

Information on accommodation in dormitories of NAO "Karaganda Technical University named after Abylkas Saginov"

1. The provision of places in dormitories to students is carried out in accordance with the Rules for the allocation of places in dormitories of organizations of higher and (or) postgraduate education dated December 30, 2022 No. 219.

2. In order to comply with the requirements and the objectivity of consideration of students' applications for places in dormitories, a special competition commission for the allocation of places in dormitories was established by order of the Chairman of the Board - Rector of the NAO "KarTU named after Abylkas Saginov". The composition of the competition committee includes: 1) a representative of the management staff of the OVPO – the deputy head of the OVPO, who oversees the issues of students' accommodation in the dormitory; 2) representatives of public organizations – trade unions and other associations of citizens created on a voluntary basis; 3) representatives of student self-government bodies; 4) representatives of dean's offices - deans or deputy deans in charge of student accommodation in the dormitory; 5) representatives of the structural unit of the OVPO in charge of youth policy issues.

3. To provide places in the hostel, you must submit an online application via a special link <http://www.kstu.kz/obshhezhitie> / on the university's website in the "Quick links to student – dorm" section, while attaching supporting documents for social benefits (according to the List).

4. The competition committee distributes places in the dormitory on the basis of an application in accordance with the established form, taking into account the grounds and priority in the following priority order:

1) orphans and children left without parental care, as well as citizens of the Republic of Kazakhstan from among the youth who have lost or remained without parental care until adulthood, persons with disabilities of the first or second group, persons with disabilities since childhood, children with disabilities;

2) persons with disabilities of the third group, persons whose one or both parents are persons with disabilities, persons receiving state social benefits in case of loss of breadwinner, persons receiving state targeted social assistance, veterans equated with veterans of the Great Patriotic War, persons from rural youth enrolled in education according to educational programs that determine the socio-economic development of

the village, Kandasy, as well as citizens of the Republic of Kazakhstan, those who have served the prescribed term of military service during the first year of study at state-run vocational schools or vocational schools, more than fifty percent of the voting shares (shares in the authorized capital) of which belong to the state, or vocational schools in which a state educational order is placed;

3) students within the framework of the project "Mangilik el zhastary — industriyaga!" (Serpin – 2050);

4) students enrolled in the first year who have the "Altyn Belgi" badge, students who have a certificate of the winner or prize-winner of the Presidential, international and republican Olympiads and (or) competitions, as well as applicants who graduated from the organization with honors with a supporting document of education (certificate, certificate, diploma);

5) students who have been accepted for the first year of study in accordance with the state educational order, who have a high score based on the results of the Unified National Testing or Comprehensive Testing, entrance exams in subjects or in the form of testing conducted by an educational organization. If scores are equal based on the results of the Unified National Testing or Comprehensive Testing, entrance exams in subjects or in the form of testing conducted by an educational organization, the financial situation of the student is taken into account in accordance with the Rules for the formation, direction of expenditure and accounting of funds allocated for the provision of financial and material assistance to students and pupils of state educational organizations from families eligible for receiving state targeted social assistance, as well as from families, those who do not receive state targeted social assistance, in which the average per capita income is below the subsistence level, and orphans, children left without parental care, living in families, children from families requiring emergency assistance as a result of emergency situations, and other categories of students and pupils approved by the decree of the Government of the Republic of Kazakhstan dated January 25, 2008 Year No. 64;

6) students from among the senior students who have high results in academic, scientific and social work;

7) other students of OVPO. Foreigners from among the students are provided with places in the dormitory in accordance with international and intergovernmental agreements.

5. The decision of the Commission is to issue a referral for accommodation in a dormitory or to refuse to provide a place. The direction for settling into the hostel is generated automatically and sent to the student's email address.

6. Upon completion of the check-in, a personal file of each student is formed (in the database of the administrator and the dean of the faculty), in which all violations are subsequently recorded in accordance with the Rules of Residence in dormitories. According to their results, the student can be evicted and is refused to move in the next academic year.

Attention!

The application for dorm places for the 2023-2024 academic year will be available from August 20, 2025 (for consideration by the competition Committee for the allocation of dorm places), with the exception of senior students (after August 29, 2025).
