VIII AUDITOR'S STATEMENT AND FINANCIAL REPORTING

WELCOME ADDRESS OF THE CHAIRMAN OF THE BOARD OF DIRECTORS

We present to you the Annual Report of the Non-Profit Joint-Stock Company "Karaganda Technical University named after Abylkas Saginov" for 2023. During the reporting year, the university continued its work aimed at ensuring high-quality innovative engineering education and scientific research for the sustainable socio-economic development of Central Kazakhstan. Last year, the university was recognized in prestigious international and national rankings:

- TOP-801+ QS World University Rankings;
- 4 stars of excellence according to the QS Stars Rating System audit;- TOP-271+ QS Asia University Rankings;
- 23 of the university's educational programs entered the top-10 of the Atameken National Chamber of Entrepreneurs (NCE) National Ranking, 15 of which entered the top-5.

In 2023, significant work was undertaken to improve the Society's performance and academic status. Practical research-oriented educational programs were developed with the participation of employers—large, systemically important enterprises in the region that are part of the Corporate University, such as Qarmet JSC, Kazakhmys Corporation LLP, Sokolov-Sarbay Mining and Processing Production Association JSC, Shubarkol Komir JSC, Bogatyr Komir LLP, NovaZinc LLP, Borusan Makina Kazakhstan LLP, and others. Collaboration with such enterprises allows the university to actively develop the scientific potential of both students and faculty.

This year was marked by significant achievements in international cooperation, including an agreement between the Abylkas Saginov Karaganda Technical University and Shihezi University (China) to implement a joint educational program in Mechanical Engineering (7M07103). In 2023, 19 cooperation agreements were signed with universities from Poland, Hungary, Turkey, the People's Republic of China, Pakistan, and elsewhere.

The transformation of scientific activity is actively underway. As part of research and development activities, 82 projects were implemented in 2023, with a total R&D funding of 1 billion 394 million tenge, a 54% increase compared to 2022.

There is a positive trend in the publication of academic papers by faculty members in international journals included in the international databases Clarivate Analytics and Scopus. Overall, the Abylkas Saginov Karaganda Technical University (KTU) continues to fulfill its assigned tasks in all areas of activity.

Chairman of the Board of Directors of Abylkas Saginov Karaganda Technical University A.A. Orsariyev
