On May 29, 2026, Abylkas Saginov Karaganda Technical University, acting as the host university for the following eight fields (sections):

1. Mining Engineering;
2. Geology and Exploration of Mineral Deposits;
3. Materials Science and Technology of New Materials;
4. Chemical Technology of Organic Substances;
5. Technological Machinery and Equipment (by Industry);
6. Geodesy and Cartography;
7. Geodesy;
8. Electric Power Engineering,

announced the results of Stage II of the Annual Republican Competition of Student Research Papers.

A total of **20** higher education institutions submitted **76** research papers in the above-mentioned fields:

1. M. Auezov South Kazakhstan University;
2. Korkyt Ata Kyzylorda University;
3. Ualikhanov University;
4. D. Serikbayev East Kazakhstan Technical University;
5. O. Baikonurov Zhezkazgan University;
6. K. Kulazhanov Kazakh University of Technology and Business;
7. Al-Farabi Kazakh National University;
8. S. Seifullin Kazakh Agrotechnical Research University;
9. Almaty Technological University;
10. Satbayev University;
11. West Kazakhstan University of Innovation and Technology;
12. Sh. Yessenov Caspian University of Technology and Engineering;
13. International University of Transport and Humanities;
14. Academician K. Satpayev Ekibastuz Engineering and Technical Institute;
15. Rudny Industrial University;
16. S. Baishev Aktobe University;
17. International Educational Corporation;
18. Safi Utebayev Atyrau University of Oil and Gas;
19. Zhangir Khan West Kazakhstan Agrarian and Technical University;
20. Abylkas Saginov Karaganda Technical University.

The submitted papers were distributed among the fields as follows:
Mining Engineering: **15** papers from **8** universities;

- Geology and Exploration of Mineral Deposits: eight papers from three universities;
- Materials Science and Technology of New Materials: six papers from two universities;

- Chemical Technology of Organic Substances: 11 papers from six universities;
- Technological Machinery and Equipment (by Industry): 19 papers from six universities;
- Geodesy and Cartography: nine papers from three universities;
- Geodesy: five papers from four universities;
- Electric Power Engineering: three papers from three universities.

A competent competition committee comprising leading scholars and specialists was established for each field. The committees evaluated the submitted research papers and selected the competition winners.

Winners of Stage II of the Annual Republican Competition of Student Research Papers for the 2025–2026 Academic Year
